

Easy Keeper

Forage Fortifier

A vitamin and mineral supplement that can also be fed as a sole feed ration along with hay to easier keeping horses. It is an ideal product for horses three years of age and older who are kept mostly on pasture or fed consistent amounts of hay.

- > Added yeast cultures:
 - Stabilize hind gut bacterial populations to increase nutrient digestibility
 - Enhanced fiber-digesting bacteria creates more efficient use of vitamins and minerals derived from forage
 - Stabilizes cecal/ colon pH
 - Helps in availability of forage phosphorus because of the phytase enzyme
- > Added organic selenium
 - Increases digestive absorption
 - Better tissue retention
 - Optimizes immune response
- > Added mycotoxin control agent
 - Combat the effect of unwanted mold found in forage
- > Bright coat and conditioned skin is achieved through increased fat levels from high quality plant oils
- > Easy Keeper is a fixed formula so your horse will get the same taste, texture, nutrition, calories and quality ingredients from every bag.
- > All Tizwhiz products contain the Tizwhiz Vitamin and Mineral Micro Pac, the most extensively researched and proven balance of vitamins and minerals.
