

# Select Sheep Keeper

**Starter, grower, finisher, breeder, lactating feed for sheep and goats**

- > Highly palatable to encourage consumption and growth for early weaned lambs
- > Balanced protein (amino acid) and energy levels for growth and production
- > Added trace minerals and vitamins (including Vitamin E and Selenium) to aid in optimum growth and immune system response
- > No added Copper
- > Fixed nutrient formulation for product consistency

## FEEDING DIRECTIONS

Feed the following amount of Select Sheep Keeper along with good quality hay:

<b>Ewes</b> - Maintenance	0.3 - 0.75 lbs/head/day
Gestation	0.5 - 1.5 lbs/head/day
Lactation (single)	1.0 - 2.5 lbs/head/day
Lactation (twins)	0.5 - 3.0 lbs/head/day

<b>Rams</b> - Maintenance	0.3 - 0.5 lbs/head/day
Mating	1.0 lbs/head/day

**Lambs** - Feed pellets free-choice after weaning with good quality hay.

**Always provide access to clean, fresh water. Store feed in a cool, dry place.**
